PROFESSIONAL SUMMARY

Supply Chain Management and Data Science student at Rutgers University with internship experience spanning demand planning, import-export logistics, and operations. Applies analytical tools including SQL, Tableau, and Excel to supply chain challenges, and brings multilingual communication skills across five languages. Certified in AI applications for supply chain and Six Sigma Foundations, with a track record of supporting cross-functional teams in fast-paced operational environments.

EDUCATION

RUTGERS UNIVERSITY

Bachelor of Science, Supply Chain Management and Data Science. Dean's List.

May 2028

Relevant Coursework: Computer Science, Demand Planning & Fulfillment, Business Logistics & Transportation

PROJECTS

Project manager/ designer

Mechanical Keyboard KB-01 Project

2022-2023

- Designed and collaborated with manufacturers in Vietnam to produce a mechanical keyboard with working electronic and hardware parts.
- Prototyped one keyboard.

EXPERIENCE

Demand Planning Intern

June 2026 – August 2026

VIETNAM NOK GROUP CO., LTD

- Monitored and updated the Master Production Schedule (MPS) on a weekly and monthly basis to maintain alignment with production capacity.
- Analyzed key supply chain indicators including Lead Time, Inventory Turnover, and Order Fulfillment Rate to support production planning decisions.
- Supported implementation of Lean Manufacturing and 5S practices on the factory floor to improve cycle time and reduce waste.

Team Manager

March 2025 – May 2026

RUTGERS UNIVERSITY - WRESTLING CLUB

- Coached athletes on weight management, competition readiness, and conditioning three times per week, incorporating progress tracking and performance analysis to tailor individual support.
- Led planning and coordination with Rutgers Club Sports and program directors for events involving 12 colleges across the Mideast Conference.
- Applied participation and performance data to support event logistics, athlete preparation, and overall club operations.

Logistics - Import and Export Intern

June 2024 – August 2024

THAI DUONG CO., LTD

- Prepared and organized import-export document packages, including customs declarations, bills of lading, invoices, and packing lists, ensuring accuracy and regulatory compliance.
- Liaised with carriers and cross-functional internal teams to resolve documentation gaps and keep international shipments on schedule.
- Monitored shipment progress and communicated status updates to the logistics team to improve tracking visibility and coordination.

Teaching Assistant

June 2023 – September 2023

APOLLO ENGLISH

- Supported classroom setup and facilitated communication between teachers and students to ensure smooth lesson delivery.
- Tracked student activities and homework completion and followed up after class to reinforce student progress.

CERTIFICATIONS

- Anthropic AI Fluency
- Using Generative AI in Supply Chain
- Six Sigma Foundations

SKILLS

Technical Tools: SQL, Tableau, Microsoft Excel (PivotTables, VLOOKUP), Java, JavaScript

Core Competencies: Supply chain analytics, demand planning, logistics documentation, shipment tracking, import-export operations, cross-functional coordination

Languages: Vietnamese (Native), English (Proficient), Japanese (JLPT N2 in progress), Chinese (HSK 3), Russian (Elementary)
